

## Your Students Learn Math Differently. How Well Do You Differentiate?

SmartMath makes math practice and differentiation easy! A gamelike interface motivates students and holds their attention, while SmartMath's advanced technology adapts to each student's level. K-8 students of all abilities progress at their own pace, mastering Common Core and state standards along the way.

### ADAPTS TO EACH STUDENT

Question difficulty adjusts with each student response, for real-time differentiation. Suggestions for remediation are provided to teachers as needed.

### CORRELATED TO COMMON CORE AND STATE STANDARDS

Because students are enjoying themselves and spending more time on task, SmartMath helps students achieve standards.

### ENGAGING AND INTERACTIVE

Cool characters and a powerful, positive reward system motivate students to learn math. Students are engaged because they are having fun!

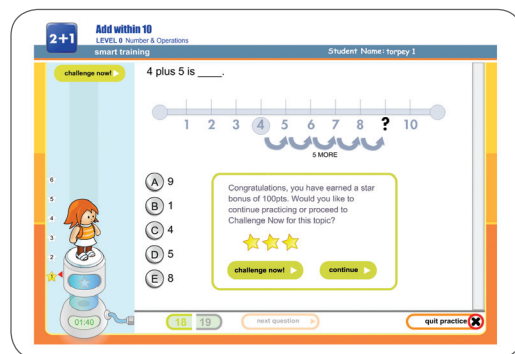

### INSTANT, IN-DEPTH REPORTING

Automatically track student progress and highlight areas in need of improvement for quick, data-driven decision making.

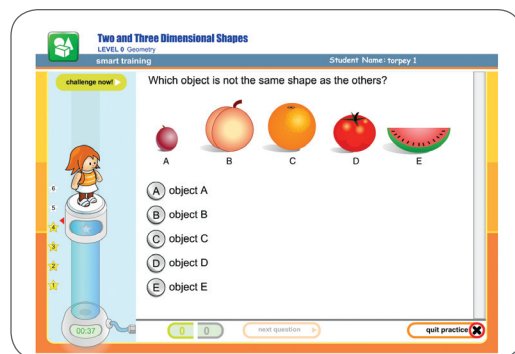

### AN AFFORDABLE WAY TO BUILD CONFIDENCE IN MATH

At around \$5 a student, SmartMath is one of the most affordable math tools available.

## FEDERAL FUNDING PROGRAMS SUPPORTING SMARTMATH:

- Title I
- Special Education State Grants (IDEA)
- 21st Century Community Learning Centers
- Educational Tech State Grants (E2T2)
- Early Intervention Programs (part C of IDEA)
- Prevention & Intervention Programs for Children
- Rural and Low Income School Program
- Small Rural School Achievement
- Race to the Top Funds

Teachers have fast access to printable and exportable student progress reports.

*"The students performed significantly better on a math post-test after using Britannica SmartMath."*

—2009 Student Testing Data, John B. Watson, Ph.D. and the staff of Watson Education

*"I was astonished that some of these students frequently refused to work on anything but SmartMath. SmartMath was successful in increasing and stabilizing their math proficiency and confidence. SmartMath worked for these students like no other system."*

—Dennis Ashendorf, Newport-Mesa, California Unified School District
