

Selected Magazines, Journals, & Periodicals Included in *Britannica Online Academic Edition and Britannica Online Public Library Edition*

Through partnerships with EBSCO Information Services and ProQuest, *Britannica Online* includes over 700 journals, magazines, and periodicals to use in your research and studies: 400 from EBSCO and 300 from ProQuest. With new articles appearing each month, you can explore the latest developments in science, politics, the arts, and current events around the world.

When you are searching on *Britannica Online*, click the “Journals and Magazines” link located on the left side, center section of the search results page. This will take you to magazine articles relating to your search.
