

**Selected Magazines, Journals, & Periodicals Included in
*Britannica Online Academic Edition, Britannica Online Public Library Edition and
Britannica Online School Edition.***

Through partnership with EBSCO Information Services, *Britannica Online* includes over 700 journals, magazines, and periodicals to use in your research and studies. With new articles appearing each month, you can explore the latest developments in science, politics, the arts, and current events around the world.

When you are searching on *Britannica Online*, click the "Journals and Magazines" link located on the left side, center section of the search results page. This will take you to magazine articles relating to your search.
